

## AGENDA ITEM #2

### *Memorandum*

July 6, 2021

**To:** Housing Commission  
**From:** David de Cordova, Housing Services Manager  
**Re:** **Correction to Agenda Item #2**

---

The Recommended Action portion of the July 7, 2021 Housing Commission agenda item #2 incorrectly refers to the Marja Acres senior apartments as having 67 apartment units. This was a typographical error. The correct number is 47 (46 affordable units, plus one manager's unit).

The correction has been made to the posted agenda and accompanying staff report.
